Month: *April 2016*

Pteronarcys Reintroduction Project

We're looking for volunteers to help out again this year to continue the work to reintroduce the Pteronarcys stonefly to the upper Gunnison River here in the Gunnison Valley. We have scheduled Saturday, April 30, for a trip down to Pleasure Park, where volunteers and *Colorado Parks and Wildlife* employees will collect Pteronarcys from the Gunnison River there. The stonefly nymphs will be put in coolers for transport back to the upper Gunnison River where they will be reintroduced. Volunteers will need to bring waders for work on the river that day and we should be done by late afternoon. If volunteers have a high clearance/four wheel drive vehicle that could help transport other volunteers, that would be appreciated.

To join us, please meet at Hurst Hall on the Western State Colorado University campus on Saturday, April 30, at 7 AM to carpool to Pleasure Park. For questions, please contact Kevin Alexander at kalexander@western.edu or (970) 943-3405.

CTU Youth Camp 2016

It's that time of year again and we're recruiting for the Colorado TU River Conservation & Fly Fishing Youth Camp. This is the 11th annual camp, and it will be held June 19-24 at the Bar N I Ranch near Weston, CO. The camp is for 14 to 18 year old students, and about 20 campers get to go each year. We're hoping to sponsor a student this year with full tuition paid by GAS. Please contact us if you know someone who may be interested in attending this year's camp. The application deadline is May 15. For more information and to download an application, please visit the Colorado TU website via the following link:

Gunnison Basin Adopt -A-Trout

Just a quick update the Gunnison Basin Adopt-A-Trout took another leap forward this past week when we successfully tagged and released 15 trout in Tomichi Creek. The trout will be tracked over the next year to better help understand the habitat needs as well as

providing a learning opportunity for area students. GAS chapter members will be presenting the project at the upcoming Colorado Trout Unlimited Rendezvous in Glenwood Springs at the end of April. See the AAT update link below for more information.
