It's Never Too Early to Think About Fishing

GAS will be hosting a mid-winter fishing event on January 20th, in the South Ballroom at WSCU from 6:30 PM to 9:00 PM. This is going to be a really fun event with a presentation on fly fishing Colorado's best tailwaters by Pat Dorsey – famous guide, author, and owner of Blue Quill Anglers. Many of our valley's outfitters and fishing-related businesses will be present, showcasing their products and services, as well as some conservation organizations and other river-related businesses. Admission is FREE and we'll have \$2.00 beers! We'll also have some great door prizes and freebies. We're excited to host this first ever event and generate a buzz about fishing in our valley. So please join us on January 20th, because it's never too early to think about fishing!
