Adopt-a-Trout Update

The Adopt-a-Trout (AAT) program is underway, with students in the Environmental Science Class at Gunnison High School participating in both the classroom and out in the field. Please read the November 10, 2015 update via the link below for all the details regarding the program. The combined donation to AAT from GAS, from the Fly Fishing Film Festival this spring and our recent chapter donation, totaled \$1,889.85. We look forward to future updates as the program develops.
